About **Cam4.com**

Cam4 was launched in 2007 to provide free, easy to use web-cam software for amateurs, exhibitionists, swingers and voyeurs.

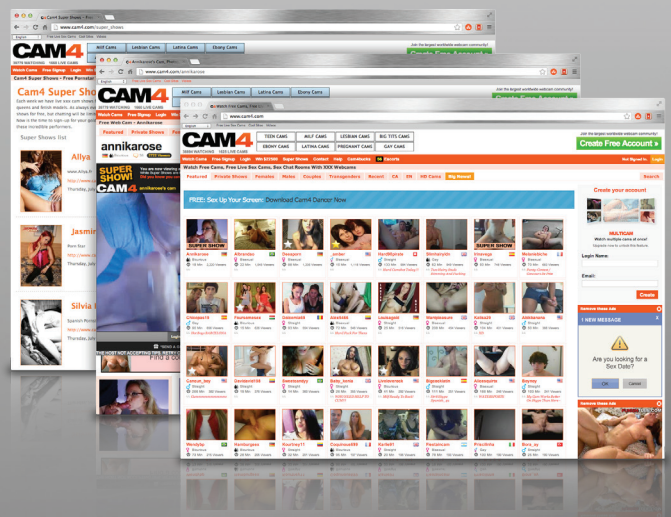

Broadcasting your own cam show, watching cam shows and chatting with performers is absolutely free. Viewers can purchase tokens and tip performers who can then cash them out. In addition, Cam4 also pays out \$22,500 USD in prizes each month for the top females, males, transsexuals and couples.

Cam4 was built to give everyone, regardless of sex, race, size or sexual preference a place where they are free to express themselves in any legal way they wish. Cam4 provides freedom and equality. This makes Cam4 a fun, sexy and whacky place to be.

Cam4 strives to provide people with friendship, sexual intimacy, sexual fulfillment, employment/prosperity, self-esteem, confidence, achievement, respect, and creativity.
